

TURKEY Appliques

by ChristaCoDesign

Print this out on cardstock to create your turkey and feather templates.

Iron on fusible webbing to the wrong side of your fabric(s).

Trace turkey body and feathers on the wrong side of your fabric.

Cut out body and feathers from the fabric(s).

Iron on fusible webbing to the wrong side of the front of your shirt (where you'll be applique-ing the turkey).

Pin fabric turkey and feathers into place.

Sew them down about 1/8" from the edges.
