

Pinerolo Accessories Set Crochet Pattern

MATERIALS

- 2-3 balls Lion Brand Jeans Yarn in the color Topstitch, or 484-730 yds of #4 worsted weight yarn, depending on hat size.
- 5.5mm (I) hook
- Yarn needle, Measuring tape, Scissors

NOTES

1. Stitch multiple is 6.

2. Ch 3 counts as a dc, please consider using an alternative to Ch 3, i.e. standing stitch or other like these.
3. The pattern is written with two options: starting chain for beginners, or foundation double crochets. I highly recommend using the fdc as it provides your fitted items with the stretch they need to fit well.
4. How to join Fdc: work to 1 less Fdc than required, yo insert your hook into the foundation ch of the same st, pull up a loop (3 loops on your hook), being careful not to twist your work, insert your hook into the first chain you created on your first fdc, yo and pull through 2 loops (3 loops left on your hook), now finish your dc: yo & pull through 2 loops x 2, ss to join. You can also browse YouTube for helpful videos on this!

STITCHES

Fdc-foundation double crochet-I prefer to start my fdc with 3 chains and work into the 3rd from my hook and not count these as a stitch.

dc-double crochet

ss-slip stitch

Dc2tog-double crochet two together

Front Post Double Crochet (FPDC)

Back Post Double Crochet (BPDC): made the same way you make the FPDC, but instead of inserting your hook in from the front around the post of the stitch you insert your hook from the back around the post and form a double crochet.
