

Sweetheart Hat Pattern

MATERIALS

- 2-3 oz of #4 med worsted weight yarn, in contrasting colors. I used a combination of brands and colors I had on hand, including: Big Twist, I Love This Yarn, Read Heart Super Saver.
- Crochet hook necessary for size, details under Gauge
- Yarn needle, Measuring tape, Scissors

NOTES

1. This hat pattern is worked in the round.
2. Beginning ch 1 does not count as a stitch.

3. Stitch count is very important, as the heart pattern is based on the number of stitches. Check your stitch count at the end of each round, particularly the heart rounds.
4. Sizing is adjusted by changing hook size.
5. The heart pattern is worked over 10 stitches and 6 rounds.
6. You need a stitch count of 60 (when you're finished increasing) to complete the pattern as written, adjust your hook and tension accordingly. Below I've included the hook and measurements for each hat.
7. **Color A** is the main color of your hat and **Color B** is the color of your hearts and trim. You can work over your colors.
8. This hat pattern is written so that the seam will be straight. If you're used to increasing on the first stitch of a round, this pattern will have you increase at the end of a set, which helps keep that pesky seam in place.
9. Just before or just after, as written in the pattern, you sc2tog you will place 2 sc in the same stitch to keep the stitch count

at 60. This may be the trickiest round so be sure to check your stitch count here.
